Our Client

Our client Hydro Tasmania is Australia's leading clean energy business and largest generator of renewable energy. They have led clean energy innovation in Australia - building 54 major dams, 30 hydropower stations and two major wind farms. The in-house legal team is now looking for a Senior Legal Counsel to join them.

The Role

As a member of the Legal Services Team, the Senior Legal Counsel is responsible for providing independent and commercially focussed legal advice and support to the Hydro

Tasmania Group. You will ideally have 5+ years relevant energy and resources experience including across:

- Energy trading and risk management
- Energy supply agreements and power purchase agreements
- Renewable energy developments
- AFSL licencing obligations
- Competition law (restrictive trade practices and cartel conduct)

Full PD available on request.

The role will be based in Hobart but there is the possibility of starting the role remotely. Flexible work arrangements including four days per week or a 9 day fortnight will be considered.

What's on Offer?

This is a fantastic opportunity for a senior level competition lawyer to move their career in-house with a well-established industry leading business or alternatively someone looking to use their existing skills in an exciting new role. The clean energy space is fast paced and dynamic and this is your chance to be at the forefront of the movement and to build a brighter, cleaner future.

This is a rare opportunity for someone keen to enjoy the wonderful lifestyle benefits of living in Hobart whilst advancing their career in a diverse and stimulating role.
