Our Client

Our client Development Victoria, create places for people.

They are a government agency partnering with industry and communities to transform ambitious ideas into reality.

Reimagining iconic places like the Melbourne Arts Precinct and State Basketball Centre to transform them for future generations. Develop entire precincts like Docklands and Fitzroy Gasworks, unlocking public land to create connected, sustainable places where people can live, work play and thrive. Building homes close to jobs, services and transport – and selling them to Victorians on average incomes, so they too can have the security of a place to call

home.

Development Victoria deliver places that make a genuine difference to the people of Victoria. The in-house legal team supports delivery of the organisation's objectives by providing and managing legal services, focusing principally on the priorities and risk issues of the organisation.

The Role

As Legal Counsel you will provide high quality, commercially astute, strategic legal services and support to Development Victoria's internal stakeholders, primarily within the property development portfolio. Your role will involve managing legal risk, governance and compliance matters as relevant to projects within your portfolio to ensure that the organisation's operations run smoothly and risk is mitigated appropriately. They are currently going through the exciting process of taking on the Commonwealth Games portfolio, which you will have the opportunity to work on.

This role will suit lawyers with 4 - 8 + years experience either across property development, construction and/or corporate law matters. You will be supported by an experienced team of lawyers and report through to the Senior Legal Counsel. The role is full-time, but part-time (3-4 days) options will be considered for the right candidate. You will also have the option to have a split office/home work arrangement and fully remote arrangements will also be considered.

Full PD available on request.

This is an amazing opportunity to move in-house or alternatively if you're in-house or in government but looking for your next challenge we want to hear from you,
